

GOLD BLOODED MURDER

At Hambleton Last Friday Evening

E. Gladwell Emptied the Contents
of a Double-barrel Shot-gun into

Clark Nagle, a woodsman, aged 40 years was shot and instantly killed at Hambleton, two miles from Parsons, Friday afternoon, by L. F. Gladwell, aged 65 years. Gladwell kept a boarding house

er Hamilton. He is a Union veteran and a pensioner. Gladwell was drinking and had threatened to kill his wife. He was alone in the room when Nagle and a friend appeared and offered to quiet him. Mrs. Gladwell advised Nagle not to see her husband, saying that he was dangerous, and that he frequently shot at her. Nagle, however, did not heed and no sooner had he entered the room than Gladwell poured the contents of his heavily loaded shot gun in to the women. Nagle died instantly. Gladwell was arrested and lodged in jail at Parsons. Nagle served in the United States army during the Spanish American War—Ran. Delph. Enterprise.

About a year ago Clark Nagle was in Marlinton, blowing in some money he had earned in the woods. He attended the Mann Brothers' sale and bought a horse, which he rode away without paying for. He was arrested for larceny. He remained in jail here several months, and was acquitted by the jury last June Court.

OF WAY SECURED THE FARMER'S INSTITUTE.

Railroad Company Appears on the Record

Editorial Head has secured right of way from Marlinton through the Gap.

The Millard Railway has taken new options for a right of way. Marlinton up Stony Creek is the summit to the Gauley pinn's lands. In all, 18 of options were taken forming a complete right of way as far as distance goes. The options filed in the County Clerk's last week. It is in this gap two railway companies have rivalry, and both seem ready anxious to occupy this well crossing place with a railway in a very short time. The Railroad Company is one to us, but we understand C. and W. control the option.

C. and W. started out from Marlinton and are surveying to the Williams River. The C. W. went to the other end (George Whitt's) and are surveying back towards Marlinton. Looks as if the Stony Creek had at last been recognized as what it is, the key to the situation. That gap is worth a million dollars to any company willing to connect the various ways of Central West Virginia.

It Would Not Be Fair.

There had some amateur theatricals. Two railroad negroes drunk and one was to act as a director and the other was to act as a director. The director one had a pistol and shot the actor in the foot, and then certain came down.

Arbuckle.

And it rained and blowed, and all the snow went out and the creek raised, and the ice went out and we had a crack a jack of a break-up—and then it snowed.

Geo. R. Curry and daughter, Miss Georgia, of Egypt, were visiting in this town and Greenback last week.

Wade Gum is home from Cheat Mountain lumber camp and reports the snow very deep over there.

James Warwick, Superintendent of Schools was around visiting our schools last week.

W. H. Hannah and Son of Renfro Valley, were over Sunday at C. C. Arbogast's.

T. S. Patterson, of Marlinton, was in town last week.

Mrs. R. L. Brown has procured the agency for the Bally System of dress cutting, which is an excellent one.

Aunt Sarah Arbogast is spending the winter with her daughter, Mrs. C. C. Arbogast. We are very glad to have her with us.

Miss Virginia Gillespie closed her school with the Kerr school house last Thursday. Also, George Sharp closed the Pine Grove school last Friday with a spelling match, and recitations. He will go from here to Grassy Ridge to teach three months.

Walter Cooper of Dunmore was in town last Saturday for a while. Kenny Rexroad has about completed Irb Beard's fine new dwelling home. He will leave next week for the city of Cass where he will work on Grate Slavin's big hotel.

We notice a great deal of excitement in and around Marlinton concerning the sudden disappearance of William Slaton, who had not been there since Christmas. As near as we can learn, he came to his son's home from McShann's, and has been staying there all winter. His daughter died some time ago. He was at Irb Heyner's lately, and was heard to say, "I passed by the town the first of last week on my way to his home on Thorney Creek Mountain, which, we hope, he reached in safety."

Rev. Hudson, of Randolph Co., preached two fine sermons at Liberty and Baxter Churches last Sunday.

Plenty of mud at this writing. At some places the roads are almost impassable.

George Coward dipped about 200 bucketfuls of water out of his cellar last Saturday.

There were several new arrivals at the Central Hotel last Saturday and Sunday.

And the sun came out and took off some of the snow and the bottom fell out of the roads.

We had 18 inches of new snow here last week the biggest since the big snow of 1889.

In the big snow of 1889 it ran into a man's vest pockets when walking through it.

Mr. Fowler and wife were out sleighing Saturday.

Some boys who had started to Cherry River had to return on account of snow.

Morgan Anderson of Frankford is among his many friends here.

W. A. Bruffy is doing some work for D. A. Peck.

W. W. Kinnison is finishing Dr. Thresher dwelling.

Hodges and Son are putting a fine board roof on their mill.

V. C. Mahen has bought Noah McCoy's black walnut and will export it soon.

Summers Hill caught three of the biggest muskrats that run the creek. Dad told him to go; a rabbit, hang it two feet from the ground, set steel traps under, well covered with ash. He took them in. They are as sharp as a red fox.

Jesse Clark got his lip so badly split while cutting wood that G. W. McClenahan very sick at this time. His disease is hard to understand, and the doctors have no hope.

V. S. Clutter who has been suffering for some time is about well. He was under the treatment of Dr. Thresher.

Sugar trees are running fine to day. Farmers, make plenty of sugar and molasses, and plant a big crop of corn and potatoes. If Pocahontas is to be prosperous we must not depend on shipping in but shipping out, and let the money come in.

We will soon have more railroads in Pocahontas than are in any other county of the State. If times keep good, remember what I say.

Joel R. Hill and H. W. Morrison exchanged farms last week.

From all reports some of the boys will have to face the judges of the criminal court.

A good lesson will help some people and the sooner the later.—We have loafers to let down here. We would like to exchange some son.

WHAT IS Cash Bargain House ? ?

It is the offspring of a small business started at Edray in a house 14x20. Now it is considered the largest building in the county, full of bargains for cash buyers.

Here are a few words from a customer who bought the Watatontown shoe and a prominent citizen of this community.

Mr. Peter McCarty says that he bought a pair of Watatontown shoes a year and a few days ago for \$1.50. He wore them ever since and is still wearing them. The shoes don't leak a drop, but if you want the Cutter shoe I will furnish you the genuine with A. A. Cutter's name on them and stamped No. 1. It is the policy of this store to have the real thing.

There was a lively conversation between two ladies. One said she didn't think the Venetian cloth which Golden offers for 38 cents could be good, and that it was impossible to sell a first class article for the price. Mrs. B. who overheard the conversation told them that she was wearing a skirt from the same goods and it looked like new. She had to pay 40 cents as it had been reduced from 50 cents. You will appreciate the bargain I offer in woolen goods. They are 25 per cent less than former prices as I am in need of money to go to New York right soon.
